Dear Mr. Auwarter

We have negotiated with three (3) bidders for the above referenced trade. As a result of the latest information passed on to the bidding contractors we have reached final pricing.

We herewith submit for your formal approval and authorization for Tishman Construction Corporation to enter into an agreement with **Forest Electric** as electrical trade manager, for the lump sum amount of **Three Million One Hundred Fifty Two Thousand Dollars (\$3,152,000.00)**. Forest will subcontract this work to **Creedon Controls**. The cost of insurance is not included, and will be added if OCIP is not in place.

Please indicate your authorization on behalf of **Bank One** for Tishman Construction Corporation to enter into such an agreement, and return to the undersigned. As soon as this authorization is received, we are prepared to enter into an agreement as your Agent.

Very truly yours,
